To Whom It May Concern,

Reed Clare is an energetic, enthusiastic, committed and, most importantly, talented actor who, with every role he plays, strives to deliver his most honest performance possible. Whether it be for stage or film, Reed will search and discover the reality within his given character's world. His outward conveyance of emotion results from a long studied and fine-tuned personal craft.

Reed Clare is an actor of genuine passion. His positive presence enhances any production of which he is a part. I give Reed Clare my highest endorsement.

Sincerely,

A handwritten signature in blue ink that reads 'Kelly Asbury'.
